

TO WHOM IT MAY CONCERN:

My name is Ms. Karen Felder who live at 175 First Street, Newark, New Jersey. The reason I'm writing this letter is because the size of my apartmetnt it is to small for my family, and I need some help. My three year old son has a health problem, and management know about it, and so does the main Office. Speaking about the Main Office Ms. Stacey was one of the main person that, I spoken to about my two bedroom apartment. She said to me on the phone that I should have a two bedroom no later than July of this year. But as you can see I am still in a one bedroom this was told to me over the phone in April of this year. Then she was sending out letters to all the tentants about the apartment list call or write within 14 days. So everytime I receive this letter I call the Main Office, and let them know, I am waiting for my two bedrooms. Today is August 04, 1997 I spoke to management this morning about 8: 10 A.M. And Mr. Freddie he said that he need a week to what apartment is open or closes So I said to Mr. Freddie apartment on the 6th floor is open can I have it he said you was next on the list. Come in see me next week. Then after that I call Ms. Stacey on the phone and I said that the Month of July over with can I now have my two bedroom of apartment, and she said that she is looking at the computer list of the open or close apartment. And I said that on the 6th floor there is a two bedroom open can I have it . Ms. Stacey said that she would call me as soon as possible.
